Kapitel 3: Why

(nach der Melodie von "I run away" von Britney Spears)

(Verse 1)

You walked into my life / surprise
Made me feel confused / long time
But you will be never mine / why won't you be?
Baby can't understand / so tell me please.

(Chorus)

Why are you so endless cute?
Why is your heart cold?
Show how you feel / or can't you?
Give me a chance / to take your hands
Why don't you let?
Why won't you let
Why won't you let / me be...

(Verse 2)

Day by day I see / you are
Everything for me / my heart
Should I tell you now the way / I feel for you?
But you will be never mine / In need you so

(Chorus)

Let me in and trust in me
Let me show the way
I feel for you / my honey
Can make it real / I'll make you feel
My love for you
The way I do
I'm lovin' you

Don't run away! I wanna say / I / love / you

(Chorus)

Let me be the one you need

Do you love me too?
I hope you do / cuz I can't
Live without you / not like you do
I'm lovin' you
Just me and you
I'm lovin' you
