## Kapitel 1: Nobody want's to be me

*nobody want's to be me*

i'm disgusting , a bitch , a slut ,selfsenterd...

Hate rules digg the forbidden

only love myself

**i'm revolting**

Don't look too bad

act real sweet

looking for adventures

lost too much sleep

hurt those i love 'cause i don't wanna lose.

hurt myself won't let anyone to close at me...

i'm weak...

*nobody want's to be me*

i'm disgusting , a bitch , a slut ,selfsenterd...

Hate rules digg the forbidden

only love myself

**i'm revolting**

got friends & familie

but who needs that when they're better off alone?

i hurt myself by hurting them

~~i hate myself~~

i hate that i'm still alive

how can someone love that?

don't it hurt to see how easily i break

& that i'd love to die?

*nobody want's to be me*

i'm disgusting , a bitch , a slut ,selfsenterd...

Hate rules digg the forbidden

only love myself

**i'm revolting**

but who knows...

maybe i'm not all bad ~~can i hope?~~

thanks for hoping with me

thank you for holding on to me

& thank you for loveing me

i guess i'll fight for your sake...

## Kapitel 2: Suacidal & Death

suacidal and death!  
go and leave me...  
*forget **our** bonds*  
don't remember your name  
seen pain and hatered  
but you know what?  
I don't give a **fuck** on your apinione!  
I'm better than that...

love and faith  
came and took me  
remember the *story*  
don't think so much  
had alot and nothing  
and guess what,  
i have a new toy  
so ***fuck off!***

## Kapitel 3: Only Memories

I'm just a little thing  
that doesn't know  
where it shall go  
on my ways I find a lot  
but never keep anything  
*only memories~...*

i'm watching things come  
and the things that go  
**i just watch**  
as things seem to change  
but actually they stay the same

## Kapitel 4: 2ONE ((2 Love one))

What can I do?  
I'm in *Love* with you!  
When I'm alone, you're the one I miss  
There's something special in your kiss  
Hold on to me  
Then you will see  
That I'd do everything  
'cause you make me sing ☺  
Is this love?  
Is this how it is,  
the way I feel  
my heart beet...

2ONE

## Kapitel 5: my FairyTale

...~\*~...

*will you help me?*  
are you going to stand by my side?  
*do you know the things i've seen?*  
will you offer me a place to hide?

can you help me,  
**I want to rewrite my story?**  
its kinda all gone wrong,  
you know what i mean?  
its like i'm stuck in the wrong book.  
this isn't my life i'm leading...  
not my fairy tale!

once i was *sleeping beauty*  
saved by a prince  
who showed me the beauty  
of needing some one to lean on  
i let go of all i had  
and lost more than that prince was worth...  
**i lost faith**  
**i lost feelings**  
**i lost tears**

for a little while i felt like *the snowqueen* must have done...  
deep frozen without any proper emotions  
just there but never aware...  
only cried in secrecy...

then there was *cinderella*  
the girl on the ball...  
as a gesture of thankfulness i fulfilled that role  
but hated it cause it felt like a lie...

now i am someone else  
but i'm still not sure who~  
my heart isn't frozen any more  
and i can cry again  
***thank you for rescuing me***  
***my prince!*** ☐

## Kapitel 6: to Young

### °we're to young

know to little

*we should prepare for the future*

but we shouldn't decide yet

### °I'm to young

am always scared

*don't want to lose you*

because you are too important to me

### °we're to young

learning to love

*shouldn't rush into anything*

but enjoy our lifes

### °I'm to young

frightend of eternety

*but I look long for her*

and her promises

## Kapitel 7: zu Jung (german)

-wir sind zu jung  
wissen zu wenig  
haben keine ahnung von nichts  
wir sollten uns für die zukunft vorbeireiten  
uns aber nicht fest setzten

-ich bin zu jung  
habe dauernd angst  
will dich nicht verlieren  
weil du mir zu wichtig bist

-wir sind zu jung  
lernen zu lieben  
sollen nichts überstürzen  
aber unser leben genießen

-ich bin zu jung  
Fürchte die ewigkeit  
doch ich sehne mich nach ihr  
und ihren versprechen

## Kapitel 8: Death

If life was a game  
could we enjoy it?

If death never came  
would we ignore it?

When happiness kisses sadness  
and loss and resentment  
were friends  
could we stop worrying?

Just for a moment forget  
that life'll never be complete  
without death?
