Kapitel 12: Made the test

I open my eyes. Where I am? Where are the others? What...? Oh, Yes. I gave my life for my crew. I remember. Now this must be hell. Slowly I open my eyes. I don't really want to know, what it's like in hell. But what I see now is not, what I thought. Over me is the sky. I jump up: "What...?" I'm on the Merry Go. I'm on top of the sheep had. And, yes, there are all the others. My crew. But why... I don't understand. It's like nothing happened. Everyone is normal. Nami's shouting, Sanji's cooking, Zolo like ever training, Robin is reading, Franky does something at the ship and Usopp and Chopper make fun of everything. I can't believe what I'm seeing. Were all the things in the forest a dream? Was nothing real? I rub my eyes and look one more time around the ship. Yes, we are all here. It was really a dream. They are all living. And me too. I'm smiling and lay back again. Yes, it was only a dream. On the ship Nami swap glare with Usopp, Zolo and Sanji. They are smiling and thinking the same.

Flashback

The darkness around me is gone. The pain is gone. What is going on? My life came back to my body. My heard beats. Around me are the others. They stand up too. We... We are not dead? What is going on? Where is Luffy? The darkness around us turns more and more into grey. More and more light is around us. The light is warm and not like the painful firelight before. And then all darkness is gone and lakes place for the forest, we were fallen before. Anything is like there was never a fight. But then, there is someone. A body on the ground and someone in front of him. Nami's scream tells me, that what I see is true. The person is the devil and the death body is from our captain. "Luffyyyy!" „Don't come nearer." „What?" „He made it. He made the test1" the devil laughs, „you can all go!" Out of his hand fly lights. Lights with form. They are formed like humans. They fly out of his hands and get of. I can see lights of Sanji, me and the others. But there are also Ace, Tashigi, Gin, Vivi, Kaja and Shanks. And the last light is Luffy. Then the devil laughs one last time. And then there is one more time a really bright light.

End of Flashback

Luffy saved all of them because of his so big heard. Now his crew knows, that they are more to him, then they ever sought. His crew goes back working and let their captain think, that he was dreaming. In the forest, the devil break the contest to the straw had pirates: "You made the test. I give you your freedom back!" Back at the pirate ship: "Sanji. I want food!"
