Nonsense

Von Jananas

Kapitel 8: Love makes you strong

Take me to the sky.
I wanna fly so high
that nothing will ever
be able to bring me down.

Come on, take my hand.
And soon you'll understand
that nothing will ever
be able to bring us down.

Love is everything that you need.
So all you have to do is believe.
And love will make you more than just strong.
So, believe me: Love cant be wrong!
Love can't be wrong!
Love can't be wrong!
