## Nonsense

Von Jananas

### Kapitel 25: Keep singing

Sometimes  
when you come home  
nobody's there.  
You're all alone.  
Try to remember  
there is someone  
who keeps to hold you  
in his arms.

Keep singing a song  
when everything's wrong  
and try to think of the next day.  
Keep singing a song  
when everything's wrong.  
The sun will shine  
after it rained.

Sometimes  
when you are sad.  
The tears won't stop,  
it blows up your head.  
Try to remember  
someone is there  
to cheer you up  
cause he really cares.

Keep singing a song  
when everything's wrong  
and try to think of the next day.  
Keep singing a song  
when everything's wrong.  
The sun will shine  
after it rained.

Sometimes  
when you are mad.  
Driven crazy,  
everything feels bad.  
Try to remember  
nobody's perfect  
and more or less  
it isn't even worth it.

Keep singing a song  
when everything's wrong  
and try to think of the next day.  
Keep singing a song  
when everything's wrong.  
The sun will shine  
after it rained.
