## Kapitel 1: Hottest Girl Ever

1.

I'm livin' in a huge villa  
And you, my little chamber maid  
Have to clean my rooms  
Day after day...

R.:

You're the hottest girl ever – I've seen you in my dreams  
You're the hottest girl ever – You give me all I want  
You're the hottest girl ever – I hold your wet body tight  
You're the hottest girl I ever had!

2.

Your skirt's so short; your blouse's so tight  
You're looking for me the whole day and all night  
You know what I want and I know I get it  
Day after day...

R.:

You're the hottest girl ever – I've seen you in my dreams  
You're the hottest girl ever – You give me all I want  
You're the hottest girl ever – I hold your wet body tight  
You're the hottest girl I ever had!

3.

You know how to move to arouse me, I've teached you well  
I am your one and only  
So you are worthy to be my toy  
Day after day...

R.:

You're the hottest girl ever – You've seen me in your dreams  
You're the hottest girl ever – I give you all you want  
You're the hottest girl ever – I hold your wet body tight  
You're the hottest girl I ever had, but still I know I'm more than you deserve  
'Cause I'm the hottest ever!

4.

You never kissed a man but me; you eat out of my hand  
You look in my eye and know what you have to do  
And I know you're addicted to me  
Day after day...

R.:

I'm the hottest ever – You've seen me in your dreams

I'm the hottest ever – I give you all you want  
I'm the hottest ever – I hold your wet body tight  
You're the hottest girl I ever had, but still I know I'm more than you deserve  
'Cause I'm the hottest ever!

## Kapitel 2: I'm So Wonderful (Can Get Everything I Want)

1.

I have so much money,  
Could buy everything I want.  
But I don't need to  
'Cause I get it all for free.  
My house, my yacht, my pool,  
My Ferrari Cabriolet, I'm so cool!  
I'm invited by everyone,  
No party starts without me.  
Have to pay for no drinks,  
Get them for free,  
As well as all the chicks.  
My girls love me,  
There are no tricks!

R.:

But what's the reason for my big success?  
I look too hot, they can't resist.  
Wanting me all, wanting me whole,  
That's the truth,  
I'm so wonderful, can get everything I want!

2.

One look into my amazing eyes  
And they all get moist dreams  
Of me.  
I need just a second  
To put my spell on them  
And also get some sex for free.  
So you can see  
There's no way to escape.  
You can believe  
I will deflower you too one day,  
But no fear I promise you  
It's never boring with me!

R.:

But what's the reason for my big success?  
I look too hot, they can't resist.  
Wanting me all, wanting me whole,  
That's the truth,  
I'm so wonderful, can get everything I want!
