Kapitel 5: Don't tell me it's a GUY?!

23.12. Shun's warm arms embraced Kaoru gently and Kaoru kissed Shun. "Mh... I missed you." Shun smiled. "I'm 'appy you found my letter." Kaoru grinned back. "It wasn't that hard to find." Shun held Kaoru's face and stroke his hair aside with his thumbs. "Could it be you got prettier?" Kaoru stuck his tongue out. "Stop saying such things! I know you're lying." He put on a sexy pout. "Why did you have to leave me so early?" This question nagged on Kaoru since he'd found the letter. "My family." Shun sighed. "My parents. They'd ring up the police if I didn't show up at breakfast. As if I was 6 and not 26." He rolled his eyes and Kaoru giggled. "So they're worrying about lil Shu-chan?" He teased. "Didn't your caring mother notice that cute lovebites?" Kaoru stroke over Shuns neck and shoulder. "I'm glad she didn't. To be 'onest, I dunno wether she did, but at least she didn't say anything. In difference to my dearest sister." Kaoru giggled harder. "You've got a sister?" Shun nodded. "She's 16 and awful childish." Kaoru took a deep breath. "And - what did she say?" "Oh, she made some jokes and so," Shun declined. "Does she know I'm a guy?" Kaoru asked interested. "Guess. At least she should. Really, deep down in their minds they all know I'm gay. But my parents didn't give up 'ope about me finding a girl and marrying and settling down... All this stuff. 'oliday is the only time I 'ave to be with them nearly all day. So they're infiltrating me their marriage-propaganda." Shun looked unnerved. Kaoru took Shuns hand and they walked a bit. "I'd make a blissful bride." Kaoru joked, but Shun looked at him with an unreadable statement in his eyes. Kaoru's gaze turned worried. When Shun noticed that, he smiled back at Kaoru. "Yeah, you surely would." And Kaoru beamed again. "We have to go somewhere, I'm cold..." Kaoru suddenly stated. Shun arched one eyebrow. "At mine or at yours?" he asked with a look on his face you just couldn't get wrong. Kaorus grin grew more personal. "At yours." He whispered. "We did it at mine last night." Kaoru looked around the neaty bungalow. "It's mine. We'll be undisturbed." Shun threw the keys on a table. "It's nice." Kaoru established. "Where's the bedroom?" Shun laughed. "You're way forward." Kaoru smiled. "I didn't mean we had to have sex right away. I was just interested in where it is." He explained. "Believe me." His smile grew broader. "Wanna drink something?" Shun asked and made an invitational gesture towards the couch. Kaoru cuddled himself up into an armchair and nodded. "Of course." Shun brought along a bottle of red wine and some glasses that looked very expensive. Kaoru took one with an elegant gesture and cuddled up into the armchair again, looking at Shun warmly. He was handsome, no question. His kinda short, dark brown hair was messy, which made him look even more cute. He had dark,

magnetic eyes. Though the hair-and eyecolour nearly fit, he didn't look really Japanese. Kaoru's eyes wandered down the slim, but muscular body. Mh. His lips curved into a smile. "Like what you see?" Shun asked and Kaoru startled from his thoughts and gazes and blushed a bit. "Mh, I guess." He answered and grinned again. "Tell me, what're you doing?" He asked. Shun shrugged. "I've studied journalism and now I'm working at a small editorial office in France. But I'd like to quit there and try something else... I mean, I love my job, but I hate that office. By the way, my minor subject was Japanese." Kaoru sighed. "I'd never thought someone would really want to study THAT." He laughed. "What're you doing at that office?" Shun put his glass down. "Nothing really important. Writing some articles, making headlines, news... Things that have to do with a newspaper. At least I'm out of that dogsbody-time." Kaoru snickered, imagining Shun running around and fetching coffee. "And you? What're you doing?" Shun asked interested and Kaoru stopped giggling. "Ano... I'm... making music." Kaoru admitted a bit shy. "Really?" Shun sounded very interested. "Yeah, I have a small band..." Damn you, liar. "We're making... well, music that's hard to describe." "What do YOU do, then?" Kaoru shrugged. "I'm playing guitar and doing a bit of bandleading. Well, doing a bit of press-work and such stuff. And writing some songs. But our drummer - Shinya - is the best composer within the band, I'm just putting the riffs and leadguitars in..." Liar. "And are you successful?" Shun wanted to know now. "Hm... Well, it's okay. You could live from it, music's big business in Japan. But we're not one of the REAL popular, I'd guess." LIAR. Kaoru shut up and stared at Shun, who gazed at the floor. "What kind of Music do you make?" He asked. "Erm, I already told you, it's hard to describe... mostly Rock, a bit of DarkRock, perhaps..." Shun looked at him with those dark, magnetic eyes. "And how's your band called?" Kaoru gulped. No way, he couldn't know them. "Dir en Grey." He answered, his voice slightly shaking and regarding Shun's face. Shun showed no real reaction and so Kaoru relaxed. 'You're childish!' he scolded himself, 'He wouldn't say anything if he knew you're pretty famous. It doesn't matter to your love, does it?' Suddenly Kaoru got up and knelt down in front of Shun, reaching up to stroke his hair and face, letting his fingers trail over Shun's soft lips and his neck. "Tell a bit more about you. I wanna know everything. Know you inside out." Shun kissed his fingertips when they reached his lips and nodded. "Okay then... let me see..." They talked until it got really dark, it had to be around midnight or so, emptying the bottle of wine. Finally, Kaoru took Shun's hand and winked. "You haven't shown me the bedroom yet..." Kaoru nearly died when Shun thrust into him. Died of pleasure. He never experienced anything like that. This wasn't his first time to sleep with a man, not nearly, but none of his former lovers had been that affectionate, sensible, knowing exactly what to do, he seemed to sense his needs and wants. Kaoru climaxed nearly on time with Shun. Relaxing and lying down next to Kaoru, Shun let his fingers trail over Kaoru's chest. Kaoru snuggled up to Shun. "Kaoru?" Kaoru nodded, his eyes half-closed. "Mh?" Shun stroke Kaoru's hair. "You're very... different and special... I mean, I've never felt what I'm feeling now, but... Kaoru?" Shun looked at Kaoru, who had his eyes closed and was breathing steady. He'd fallen asleep. Shun smiled amorous and made himself comfortable very careful, not to wake Kaoru up. 'Stop it, Shun, this isn't the time for doubts.' he told himself. Shun's mother found the door unlocked when she came to the bungalow in the late morning. She entered it, gazing at the empty wineglasses and the bottle on the table. Suddenly, she heard sounds from the bedroom. 'So Shun's already up.' She entered the bedroom and froze. When Kaoru woke up, he stretched cosy, opened his eyes slowly, but there was no Shun. 'Not again...' he moaned in his mind, when he

heard someone laugh. He glanced at the door, where Shun was standing with a pair of trousers on, leaned against the doorframe. "Hey, awake?" Kaoru laughed. "Not really. What're you doing there? Come here...!" Kaoru whined artificially. Shun laughed and went to the bed where Kaoru pulled him down. He pinned Shun down on the bed, positioning himself over Shun. Shun laughed. "Again? It's morning, you haven't even eaten yet!" Kaoru shrugged. "Do I look like I'd eat a lot?" He grinned. "I thought you'd like to make me a bit more awake." He pushed his hips against Shun's playfully, and then bowed down to kiss Shun, flinging his arms around Shun's neck. "You like that game, do you?" Shun pulled him a bit nearer, caressing his back. Suddenly there was a yell from the door: "Shun!" Shun startled, and Kaoru spun round, then falling back next to Shun and pulling the blanket over himself. Shun's mother stood in the doorway with a rather disgusted look and twinkling eyes. "Mum!" Kaoru sank back into the pillows, blushing a bit. What the hell... "I found the door unlocked, and so I..." She spotted Kaoru and frowned. "Erm..." Kaoru blushed heavier. "What??" Shun's mother took some steps nearer and gazed at Kaoru. "Don't tell me it's a GUY!" She threw some disgruntled looks at Shun. "Mum! Of course it is! And what the hell are you making here at THIS time?" Suddenly another voice sounded from behind Shun's mother. A female voice. "Mum? Haven't you found him yet?" A girl appeared at the door and started gazing at Shun, too. Then her eyes travelled to Kaoru. "OH MY GOD!!!"

Comments: hehehe, this is mean and sooooo embarrassing... families could be really bad... But what did she mean with "Oh my god!""? You'll see... evil grin
