

This is Horror

Introduction to Sickness

Von Shin_NomeaD

Prolog: Welcome

Welcome to this world
Step into darkness
Welcome fellow demons
Lights from the past
Welcome to our horrors
Darkness surrounds
Welcome to this world
Welcome, welcome

Welcome to madness
Taking down sanity
Welcome friends of splatter
Bodyparts around
Welcome to our evil
Embrace this horror
Welcome to this world
Welcome, welcome

Welcome to this world
Welcome, welcome

Welcome to this world
Erase all good and beautiful
Welcome bloody bastards
Step out of the dark
Welcome to our darkness
Light will fade away
Welcome to this world
Welcome, welcome

Welcome to this world
Welcome, welcome Horror

WELCOME HORROR NOW!!
